Vision

Our vision at Beresford Memorial School is to inspire all children to flourish and achieve their God given potential, whilst loving and learning together with God.

Spiritual, Moral, Social and Cultural Policy

"But the fruit of the Spirit is love, joy, peace, forbearance, kindness, goodness, faithfulness, gentleness and self-control." Galatians 5:22-23

At Beresford Memorial First School we consider the pupils spiritual, moral, social and cultural development to be at the centre of our school ethos and the responsibility of the whole curriculum. Within our Mission Statement we have identified our Curriculum Essentials, which are reflective of our Christian Values and form the epitome of this policy;

Mission

We will:

- Teach our adults and children **global awareness** to **respect** people from all faiths and cultures in our diverse world, knowing that they have all been created in the image of God.
- Encourage our adults and children to demonstrate **British values** to show **kindness**, to know they belong and are nurtured and loved.
- Inspire our adults and children to be ambitious and show **creativity** in order to achieve their God given potential.
- Provide **possibilities** and **hope** within our Christian family, by promoting a happy, safe and secure environment, which thrives on positivity and perseverance.
- Model **honesty** that reflects our Christian character and provides children with principles that enable them to be a valued member of their **community**.
- Show **courage** by promoting a culture of resilience, and **social and emotional awareness** inspired by a Growth Mindset.
- Provoke enquiry by using the outdoors and the Forest school ethos to inspire, enable ideas, develop **spirituality** and encourage intrinsic motivation.

We strive to provide and maintain for our pupils an education that provides opportunities so that they can explore and develop their own values and beliefs, spiritual awareness, high standards of personal behaviour, a positive caring attitude towards other people, an understanding of their social and cultural traditions and an appreciation of the diversity and richness of other cultures.

We believe spiritual, moral, social and cultural development is promoted through the school ethos, the climate of the school, collective worship, all curriculum areas, behaviour code, extra-curricular and other activities.

We as a school community have a commitment to promote equality in line with the **Equality Act 2010** (see appendix).

We see spiritual development as the way pupils acquire personal beliefs and values, especially on questions about religion, whether life has purpose, and basic personal and social behaviour.

We try to help pupils make sense of these questions through the curriculum, worship (see collective worship policy & **Strand 6 SIAMS 2018 schedule**), the school ethos and stilling / mindfulness opportunities within the curriculum. We see spiritual development as an important element of a pupil's education and fundamental to other areas of learning.

We aim to provide learning opportunities that will enable pupils to:

- enhance their spiritual awareness through quiet / reflection spaces;
- experience stilling / mindfulness through the curriculum;

- developing knowledge, skills, understanding, qualities and attitudes in order for them to make responsible moral decisions and to act on them.

This policy has been equality impact assessed and we believe that it is in line with the Equality Act 2010 as it is fair, it does not prioritise or disadvantage any student and it helps to promote equality at this school.
